

D

FCS NOTES FROM ~~CONFIDENTIAL~~

EUROPEAN COUNCIL : NOVEMBER 1981

1)

S/S

NOVEMBER 1981

Sketch.

Income differentiation discriminatory is
not desirable.

Conspicuity long.

Ag expenditure. 16 a year choice,
but add guidelines

Mediterranean.

Agree on 10

But supply formula N.39
fair standard of living

Budgetary

N.2 continue for limited period & degressive
certain relief. But

must adhere to financing through budget.

* Fixing amount. greater benefit.

hump sum preferred but

would consider Commission proposal

Luxembourg.

Titte

Financial mechanism. Taxway - degressive
must be within budget.

Colombo

milk

likes variant B.

producers get rid of surplus
don't like a surtax.

Titte Janus Commission formula.

Ag expenditure likes formula A.

Budget Commission text
criteria. not machinery which is permanent.
degressive

Dage

Titte - compatibility all reduce $2\frac{1}{2}$ to 1
any change acceptable.

Titte

limitation of Ag expenditure not acceptable.

Budget Para 2 principle not acceptable
accept member state has taxway difficulty

Ad hoc. keeps sums. no good
through budget

France

milk. no artificial ceiling

Small producers. Small income. Sine qua non.

No supra tax.

Mediterranean

urgent - must have timetable.

olive oil & vegetable oils.

Ag expenditure

Commission footnote to be retained
Widespread better

Budget

No creation of permanent system.

But is a special case

3-4 years certain relief

Has calculated - open minded.

not Commission way

regressive. alternative. 90% in case

Greece

milk. endorses French proposal.

Medit. knows para 10 & could accept.

Ag expenditure

doesn't oppose reduction

(1) shouldn't hurt.

(2) shouldn't be obligation

Budget

Community solidarity
Greece can't pay.

Genscher

brother ~~idea~~

small farms not wholly exempted.

Medir

Council should
be aware of bearing in
mind effects on community budget.

Ag expand

not as high

Budget

great effort to act & decide
recognise U.K. needs confirmation
degressive. keep sum
in 3 years
& Commission.

Alteration for Germany.

not unlimited contribution

- ① as for U.K.
- ② upper limit.
- ③ less than proportionate to U.K.

Olesen

speaks for all.

no co-responsibility levy
but efficient farm can't go in that
direction

Ag expenditure

No limits. Ja

Budget

repetition. don't act but contribution
30% pay.

Can't accept budgetary mechanism
we work for solution within budget.

in Notholm

Tax . agree to compatibility .
social & physical
super tax good .
-
milk production main source .

Agri altmation A will Commission

Medik . French version

Budgd . special situation . No money al-
disposal

projects etc
ad hoc .

Commission
