

B/F ~~Wednesday~~
meeting

AT 25/6

10 DOWNING STREET

Prime Minister ①

Mr Jenkin seems to have done well
in shepherding Liverpool back towards
be fold without conceding much in 1984-85.
Liverpool are now seeking assurances
about 1985-86

I think it would be helpful if, before
Wednesday's meeting, Mr Jenkin began
talking to the Chief Secretary about
his proposed letter. Hopefully, any
gap between them can be narrowed
in advance
