CHARLES H. PRICE II
AMBASSADOR OF THE UNITED STATES OF AMERICA
LONDON

Dear Prime Minister Denis,
Carol and I felt very
honoured to be included for
such a very special
evening at 10 Downing.

The warmth of personal
friendship was very prevalent
and you could not have created
a more special occasion which
Walter and Lu will never

Christie.

May I add also Prime Minister that your speech before the ABA was superb and I have forwarded a copy to the President where it will be most warmly received.

As always we send you each our great respect and very best wishes.

Sincerely,
Charlie
