**EUROPEAN COMMUNITY : UK INITIATIVE ON CREATING CONDITIONS FOR EMPLOYMENT GROWTH**

Thank you for your letter of 2 June and for sending me a copy of your paper on this subject.

Naturally I fully support this initiative, and would be grateful if you could keep me in touch with developments. While I fully understand the emphasis placed in the paper on the importance of promoting the growth of small firms, I hope that the initiatives proposed will seek to promote enterprise in companies of all sizes and sectors.

I am copying this letter to the Prime Minister, to other members of OD(E) and to Nicholas Edwards, Norman Fowler, Tom King, Kenneth Baker, Malcolm Rifkind, Sir Robert Armstrong and Sir David Hannay.
